SUMMARY

To contribute my technical, coding and strong communication skills with a practical, and mature approach to deliver and lead to innovative solutions, and grow both personally and professionally.

SKILLS

GenAI	LangChain, LangGraph, HuggingFace, Prompt Engineering, LLM Evaluation
Languages	Python, JavaScript, C++, HTML, CSS
Frameworks	React.js, Tailwind CSS, Node.js, Express.js
Databases	ChromaDB, MongoDB, MySQL, Supabase
Tools	Git, GitHub, VS Code, OpenCode, Vibe-Coding

PROJECTS

NeuroNest (RAG-based GenAI Application)

- Built a RAG application enabling users to interact with PDF documents.
- Implemented document parsing, chunking, and embedding for context-aware responses.
- Utilized LangChain to orchestrate retrieval pipelines and prompt workflows.
- Integrated LLM APIs for question answering and document summarization.
- Reduced hallucinations by grounding responses in retrieved document data.
- Designed a chat interface for seamless document interaction.

EventsHub

[Deployed Link](#)

- Developed a full-stack web application for managing college events and student registrations.
- Enabled event creation, listing, and one-click registration across departments.
- Built using React.js, Node.js, Express, and MongoDB.
- Integrated Firebase Authentication for secure login and data management.
- Designed an admin dashboard to manage and approve event listings.

WORK EXPERIENCE

LLM Post Trainer at Ethara.ai

Nov 2025 - Feb 2026

- Trained and refined Large Language Model outputs by reviewing, correcting, and optimizing AI-generated responses.
- Annotated datasets and provided structured feedback to improve model alignment and performance.
- Wrote and evaluated high-quality prompts to test reasoning, creativity, and factual correctness of AI models.

SMM and Graphic Designer at Maica Plastiwood

Apr 2023 - Apr 2024

- Handled their Instagram handle by engaging with creators and potential investors.
- Created written content for their products, enhancing their overall market experience with people.
- Created high quality graphic posts and reels featuring their products.

EDUCATION

2022 - 26	Bachelor's Degree at Acropolis Institue of Technology and Research	(GPA: 6.7/10.0)
2021 - 22	Class 12th CBSE	(81)
2019 - 20	Class 10th CBSE	(93)

CERTIFICATES

Microsoft SAP	MERN Stack 60 days workshop
Delloite	Data Visualisation.
Udemy	ReactJs Crash course.

ACHIEVEMENTS

- Winner of Google AI Hackathon (AIPL)
- Content Writer and Social Media Manager for multiple Social Media Creators.
- Lead Member, Debate Club - Entrepreneurship Development Cell (since 2022).

INTERESTS

Philosophical and Psychological Literature, Public Speaking and Communication, Human psychology, Artificial Intelligence.
